<p><b>Applicant employment status</b></p>	<p><b>Employed applicants:</b> Must have 12 months history of employment with a minimum of 3 months in current employment and not in a probationary period. Applicants must provide copies of the last 3 months consecutive payslips (printed by a pay bureau). The following income will be taken into account: Wages / salary, guaranteed commission/bonus/overtime, 50% of regular non-guaranteed commission/bonus/overtime (subject to not being more than 40% of total income used in assessment). Where income is variable, an average over the last three months, or annualised YTD figure, should be used, whichever is the lower.</p> <p><b>Contract workers:</b> Minimum of 12 months continuous history of contracting roles within their relevant industry required. Current contract must be for a minimum of six months with a minimum of 3 months of the original term remaining (minimum 50% of original term must remain unless the borrower can show 18 months continuous service in the same type of employment). The value of the current contract will normally be taken for income purposes, although underwriters may restrict income to an average of the current and previous contract, or the lower of the two if a substantial increase in value is observed.</p> <ul style="list-style-type: none"> <li>• Borrowers employed on a Construction Industry Scheme (CIS) Contract will be considered. The average of the latest 6 months evidenced income is used.</li> <li>• Borrowers employed on a zero hours contract will be considered if they show a consistent level of income. The total of the last 12 calendar months evidenced income will be used.</li> <li>• Customers will be treated as self-employed if they pay their own tax or sub contract to more than one company.</li> </ul> <p><b>Self-employed applicants:</b> Applicants who own more than 25% of their employer/business will be classed as self-employed and must have been self-employed for a minimum of 12 months (minimum 24 months for MAG 1 products). Income will be considered as their proportion of the company/firm net profit for the last 12 month period plus any income or distribution deducted in favour of the applicant in arriving at net profit. Acceptable proof of income is the latest annual accounts (where the Accountant is affiliated with an acceptable professional body) or certified copies of the latest annual HMRC SA302 and Tax Year Overview, plus certified copies of the last 3 months business bank statements (unless this period is included in the latest annual accounts). Please refer to an underwriter for applicants showing excessive increases or reductions in income.</p>
