You have provided your personal information to the lending company noted in your credit agreement. The information below tells you how this company will use that personal information.

You (the “Borrower”) are applying to enter into a Credit Agreement with us (the “Lender”) and in considering this application, and administering any agreement you enter with us, we will be using (processing) personal data about you.

You have a right to know how we will use your personal information, and it is important that you read the following. By signing this document you are confirming that you have read it and you agree to the uses of your personal information described in it.

We will use your information to consider your application to enter an Agreement with us and we will search your records at credit reference and fraud prevention agencies (“Agencies”). The Agencies may supply us with credit information, such as previous applications, the conduct of accounts in your and your financial associate’s name, any business accounts you have, fraud prevention information and public information such as County Court Judgments, bankruptcies and the Electoral Register. The record of our search will be recorded by the credit reference agency and will be seen by other lenders on any future searches made. A large number of applications within a short period of time could affect your ability to obtain credit. The Agencies’ information may be linked to any person with whom you are linked financially (see ‘Use of Associated Records’ below before you sign. We may use an automated decision-making system to verify your identity.

We will add to your records with the credit reference agencies details of any agreement with us, the payments you make under it and any default or failure to keep to its terms and any change of name or address. Account information given to credit reference agencies remains on file for 6 years after the account is closed, whether settled by you or upon default. These records will be shared by the Agencies with other member organisations, and may be used and searched by us and them to consider:

- a) applications for credit and credit related services, such as insurance, for you and any associated persons; and
- b) to trace debtors, recover debts, prevent or detect money laundering and fraud, to manage your account(s).

PLEASE TELEPHONE OR WRITE TO US IF YOU WANT TO HAVE DETAILS OF THE CREDIT REFERENCE AGENCY THAT WE USE.

If you are a director or partner in a small business, we may also complete a check on your business.

Use of Associated Records and Joint applications

Before entering into any agreement with you we may search your records at an Agency, which may be linked to records relating to your spouse or partner, or other persons with whom you have, or have had a joint finance agreement, or made a credit application (“Associate”). For the purpose of this application you and any Associates may be treated as financially linked and your application will be assessed with reference to Associates’ records.

Before any search or application is completed or any agreement is entered into involving joint parties, you both consent to us recording your details with Agencies. Whether or not this application proceeds, an association will be created which will link your financial records. Your Associate’s information may be taken into account when a future search is made by us or another company, until you tell the Agencies that you are no longer financially linked, and the Agencies accept this.

IT IS IMPORTANT THAT YOU PROVIDE US WITH ACCURATE INFORMATION
