Right to Buy Criteria
The Right to Buy scheme provides and opportunity for most council tenants to buy their home at a discounted price.

Right to Buy	Criteria
	The maximum discount is £102,400 across England, except in London boroughs where it's £136,400 and increases each year in April in line with the consumer price index (CPI). Houses and flats attract a different level of discount but are both subject to the absolute caps above. Once the property is purchased the borrower may sell the property but if it's within 5 years of the purchase then a reducing proportion of the discount has to be repaid to the council.
Property Types	Houses You get a 35% discount if you've been a public sector tenant for between 3 and 5 years. After 5 years, the discount goes up 1% for every extra year you've been a public sector tenant, up to a maximum of 70% or £102,400 across England and £136,400 in London boroughs (whichever is lower).
	Flats You get a 50% discount if you've been a public sector tenant for between 3 and 5 years. After 5 years, the discount goes up by 2% for each extra year you've been a public sector tenant, up to a maximum of 70% or £102,400 across England and £136,400 in London boroughs (whichever is lower)
	Property types including construction must meet our standard criteria.
Affordability	Affordability is assessed in line with our standard policy.
Customer Type	Council tenants - only those named on the Section 125 RTB Notice can be party to the application.
Transaction Type	Purchase only
Minimum Term / Maximum Term	5 years / 40 years
Minimum Ioan / Maximum Loan	£50,000 / £1,000,000
Maximum LTV	Up to 100% of the discounted purchase price and a maximum of 75% LTV of the open market value as advised by a Bluestones valuer.
Location	England only
Additional Documents	Section 125 RTB Notice will be required to be able to complete the initial underwrite.
