Our products

We have two types of products:

- (1) Lifetime Mortgages where you don't have to make monthly payments
- (2) Mortgages where you have to make monthly payments, which covers all our standard mortgages and Retirement Interest Only (RIO).

	Lifetime Mortgages	All our other mortgages
Monthly payments	None, although they can be made voluntarily	Yes - contractual monthly payments
Interest	If no payments are made then interest is charged on interest (interest roll up or compound interest)	Interest is repaid every month - the monthly payments cover these. With some of our mortgages the monthly payment also includes the capital (as well as the interest).
Affordability	There are no affordability assessments. The amount borrowed depends on age and value of the home.	Income and expenditure is assessed to ensure the borrower can meet the monthly payments.
Repayment	The mortgage and any rolled up interest plus any unpaid charges are paid when the borrower sells the property or when they go into long term care or pass away.	The mortgage is either repaid throughout the term, at the end of the term or when the borrower goes into long term care or passes away.
Qualifications	Specialist Equity Release qualifications	Regular mortgage qualifications

Key features of our Lifetime Mortgage

Feature	Description
Porting	If the borrower moves home, they can transfer their Lifetime Mortgage to a new property if it meets our lending conditions. They must pay a Valuation Fee, Porting Fee and meet our and their legal expenses in respect of the new property. If the new property is of a lower value, we may ask the borrower to repay part of the amount outstanding on the Lifetime Mortgage. Early Repayment Charges do not apply in this case.
Downsizing Protection	If after 5 years, the borrower moves to a property that doesn't meet our lending criteria and they are unable to transfer the mortgage, they can repay the loan in full without incurring any early repayment charges (ERCs).
Partial Repayments / Voluntary Repayments	The borrower can make partial repayments or voluntary monthly repayments within each 12-month period, starting from the date the loan completes, without incurring an early repayment charge. The partial repayment allowance is 10% of the balance on each anniversary of the loan starting.
ERC exemption on death or move into Long Term Care	An ERC will be waived if the mortgage is repaid by the remaining borrower within 3 years of the date the first borrower dies or moves into long-term care.
No negative equity guarantee	The borrower can carry on living in the property even if the amount they owe to LiveMore becomes greater than the value of the home. Upon the death of the borrower or (if joint borrowers) on the death of the last borrower, or if you (or if joint borrowers, the last borrower) need to move into long term care, if the value of the home is not sufficient to repay this lifetime mortgage in full, the borrower or their beneficiaries will not be liable for the difference provided the terms of the mortgage have been complied with.
Additional borrowing and drawdown	We are working on this and it will be available in the future.

ERCs are applied for RIO and Standard Mortgages if your client:

- Makes one or more overpayments in any annual period following the completion date that total more than 10% of the outstanding loan balance (as calculated on each anniversary of completion).
- Switches provider
- Your client downsizes and makes a full redemption of the loan. If your client downsizes and makes a partial redemption ERCs could be charged in certain circumstances.

How ERCs are applied for RIO and Standard Mortgages

In any year during the ERC period, your client may repay up to 10% of the outstanding loan balance at the beginning of such year, without incurring a penalty.

For this purpose a year is calculated from the commencement of each anniversary of the date of the mortgage advance.

ERCs are NOT applied for RIO and Standard Mortgages if your client:

- Redeems the mortgage in the ERC period due to death of a partner or moving into long-term care
- Sells the property following the death or move into long term care of the surviving partner
- Redeems all, or part of the loan, after the ERC period
- Repays within their annual allowance in any year during the ERC period

Payment Breaks

If your client is in financial difficulty due to an unexpected change in circumstances, they may be entitled upon request to a payment break for up to 6 months, to allow them a little breathing space.

At the end of the payment break, the missed payments can either be paid as a lump sum payment, or be added to the loan. If added to the loan, their regular monthly payment will increase.
