- Completion fees (non-refundable) - this can be paid before the start of the mortgage or you can elect to add this to the mortgage loan and it will be deducted from the mortgage advance on completion: £800
- By electing to add fees to the loan, you will pay interest on them at the same interest rate as your mortgage throughout the mortgage term and this will affect interest charges and payment calculations. If preferred, fees that have been added to the loan may be repaid by a separate capital payment at any time after the start of the mortgage and this will result in lower monthly payments and reduced interest charges.
- Mortgage exit administration fee on redemption of mortgage: £125
- Early repayment charge payable as follows:
 - During year 1: 2% of the amount repaid early plus fees
 - During year 2: 1% of the amount repaid early plus fees
- This charge is calculated as a percentage of the amount repaid early, excluding any arrears of interest, or other charges. The early repayment charge is payable on any amount that you repay in excess of the monthly payment due on the mortgage.
- Overpayments of up to 10% per year may be made without incurring the early repayment charge
