#### 4. Customers with characteristics of vulnerability

The Product is designed for numerous borrower types including customers with characteristics of vulnerability or those who may experience vulnerability over time.

We considered the needs, characteristics and objectives of customers with characteristics of vulnerability at all stages of the design process for this Product to ensure the Product meets their needs.

We have in place a framework to achieve good outcomes for vulnerable customers, which includes:

- Training and educating our staff to ensure they have the necessary skills and experience to recognise and respond to the needs of vulnerable customers
- Suitable customer service provision and communications
- Flexible policies, where appropriate, to support vulnerable customers
- Monitoring to ensure we continue to meet and respond to the needs of customers with characteristics of vulnerability

Intermediaries should continue to comply with your obligations to ensure you treat customers in vulnerable circumstances fairly.

Please contact us if you need any further information about how we support the needs of all our customers in relation to the Product.

#### 5. Our assessment of value

We have developed a comprehensive and robust assessment process which evaluates several aspects of our business to determine the value of our mortgage product. This analysis is used to ascertain whether the Product delivers fair value for customers.

The outcomes of the assessment process allow for challenge and further investigation before we sign off the outcomes and share the summary of our assessment with you.
