Our products

We have two types of products:

- (1) Lifetime Mortgages where you don't have to make monthly payments
- (2) Mortgages where you have to make monthly payments, which covers all our standard mortgages and Retirement Interest Only (RIO).

	Lifetime Mortgages	All our other mortgages
Affordability	There are no affordability assessments. The amount borrowed depends on age and value of the home.	Income and expenditure is assessed to ensure the borrower can meet the monthly payments.
Interest	If no payments are made then interest is charged on interest (interest roll up or compound interest)	Interest is repaid every month - the monthly payments cover these. With some of our mortgages the monthly payment also includes the capital (as well as the interest).
Monthly payments	None, although they can be made voluntarily	Yes - contractual monthly payments
Qualifications	Specialist Equity Release qualifications	Regular mortgage qualifications
Repayment	The mortgage and any rolled up interest plus any unpaid charges are paid when the borrower sells the property or when they go into long term care or pass away.	The mortgage is either repaid throughout the term, at the end of the term or when the borrower goes into long term care or passes away.

The key criteria for the individual products are shown below.

Key features of our Lifetime Mortgage

Feature	Description
Downsizing Protection	From the date of the advance, if the borrower moves to a property that doesn't meet our lending criteria and they are unable to transfer the mortgage, they can repay the loan in full without incurring any early repayment charges (ERCs).
Drawdown	Customers are able to withdraw from their facility 6 months after the completion of their mortgage. Drawdown loans provide a facility from £2k or more (up to the maximum LTV) with a minimum £20K initial advance. The minimum withdrawal is £2k and it is possible to withdraw four times a year.
ERC exemption on death or move into Long Term Care	An ERC will be waived if the mortgage is repaid by the remaining borrower within 3 years of the date the first borrower dies or moves into long-term care.
No negative equity guarantee	The borrower can carry on living in the property even if the amount they owe to LiveMore becomes greater than the value of the home. Upon the death of the borrower or (if joint borrowers) on the death of the last borrower, or if you (or if joint borrowers, the last borrower) need to move into long term care, if the value of the home is not sufficient to repay this lifetime mortgage in full, the borrower or their beneficiaries will not be liable for the difference provided the terms of the mortgage have been complied with.
Partial Repayments / Voluntary Repayments	The borrower can make partial repayments or voluntary monthly repayments within each 12-month period, starting from the date the loan completes, without incurring an early repayment charge. The partial repayment allowance is the set percentage (shown on page 7) of the balance on each anniversary of the loan starting.
Porting	If the borrower moves home, they can transfer their Lifetime Mortgage to a new property if it meets our lending conditions. They must pay a Valuation Fee, Porting Fee and meet our and their legal expenses in respect of the new property. If the new property is of a lower value, we may ask the borrower to repay part of the amount outstanding on the Lifetime Mortgage. Early Repayment Charges do not apply in this case.

- Makes one or more overpayments in any annual period following the completion date that total more than 10% of the outstanding loan balance (as calculated on each anniversary of completion).
- Switches provider
- Your client downsizes and makes a full redemption of the loan. If your client downsizes and makes a partial redemption ERCs could be charged in certain circumstances.

How ERCs are applied for RIO and Standard Mortgages

In any year during the ERC period, your client may repay up to 10% of the outstanding loan balance at the beginning of such year, without incurring a penalty.

ERCs are NOT applied for RIO and Standard Mortgages if your client:

- Redeems the mortgage in the ERC period due to death of a partner or moving into long-term care
- Sells the property following the death or move into long term care of the surviving partner
- Redeems all, or part of the loan, after the ERC period
- Repays within their annual allowance in any year during the ERC period

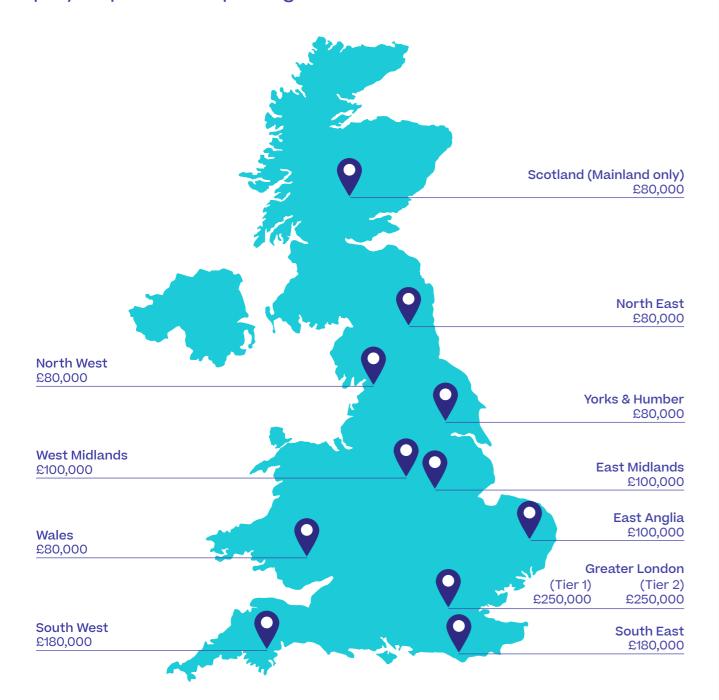

Payment Breaks

If your client is in financial difficulty due to an unexpected change in circumstances, they may be entitled upon request to a payment break for up to 6 months, to allow them a little breathing space.

Our Standard Interest Only Mortgages come with minimum equity requirements per region.
