*Reversion rate is calculated using starting rate or BBR + reversion margin, whichever is higher.

In all cases the Starting Rate at completion is the lowest rate payable regardless of future changes to the Bank of England Base Rate. The interest year for InterBay is calculated over 360 days. BBR is subject to a floor of 0.75% (if BBR exceeds 3% the floor resets to 3%). EPC eligibility: the EPC must have been issued within the last 5 years if rated A/B or in the last 2 years if rated C. Where a property has multiple EPC ratings, then the lowest EPC rating will be used.

Owner occupier products - qualifying conditions

To qualify, each property securing the loan must be predominately used for the applicants' own business purpose, this can't include generating income from the property. Our underwriters determine the predominate use by considering factors including value, square footage and productivity (income generated). Applications that don't qualify for our owner occupier products will be assessed under our commercial investment products.

Physical valuations

For commercial cases, full physical inspections for valuations will continue, and shall be conducted via our panel manager by way of a bespoke valuation quote.

Fees

- A £145 non-refundable administration fee is due when submitting the application.
- The valuation fee is to be paid directly by you or the broker to our panel manager at the point of instructing the valuation.
- The arrangement fee, which is also non-refundable, is due on completion and can be added to the loan.
- A 0.25% reduction in the arrangement fee applies to existing borrowers placing a new application. To qualify you must have a clear six-month payment track record and meet one of the following conditions:
 - Be under the same personal ownership or limited company (with the same shareholders/directors).
 - You must match the shareholder in a limited company if under a personal ownership case (with shareholder having a 100% share).
 - You must be an existing joint applicant with a current facility in personal names. If your next loan with us is under a limited company ownership, the shareholding must mirror the current facility.

Products now revert to Bank of England Base Rate (BBR) trackers

- On expiry of the fixed rate (the Starting Rate*), the Term Loan will revert to a rate of interest which will be variable at a Margin above the Bank of England Base Rate
- The variable rate of interest will move up and down in line with the Bank of England Base Rate, however if the Bank of England Base Rate falls below 0.75% the interest rate you're charged won't change, this is referred to as the minimum floor
- If the Bank of England Base Rate reaches 3%, the minimum floor rate becomes 3%
- In all cases the Starting Rate at completion is the lowest rate payable regardless of future changes to the Bank of England Base Rate
- Changes to the Bank of England Base Rate, subject to the minimum floors, will take effect from the 1st of the month immediately following the announcement of the change in the Bank of England Base Rate. Your new rate will be calculated by taking the Margin applicable to the Term Loan plus the Bank of England Base Rate.

***The Starting Rate is the Margin plus the higher of either the Bank of England Base Rate at the date of commencement of the Term Loan or 0.75% and will be defined in the AIP and Facility Letter.**

Valuation fee scale

Fee scales have been provided for all standard and specialist properties meeting the agreed criteria below. The valuation fee is payable by the applicant or the broker prior to valuation instruction. The fee scales listed below are for guidance only and may be subject to change. For more complex buy to let properties that do not fit the criteria, a bespoke fee quote will be required from our panel manager. Brokers will have the opportunity to select their preferred quote and instruct the valuation directly with the panel manager. Fees will be payable to the panel manager prior to the valuation instruction. This will apply to all unusual, hybrid or complex properties, including those to be valued on a trading-related basis.

Fees are non-refundable once the valuer has visited the property, but an abortive fee may be payable.

Fees

- A £145 non-refundable administration fee is due when submitting the application.
- The arrangement fee, which is also non-refundable, is due on completion and can be added to the loan
- A 0.25% reduction in the arrangement fee applies to existing borrowers placing a new application. To qualify you must have a clear six-month payment track record and meet one of the following conditions:
 - Be under the same personal ownership or limited company (with the same shareholders/directors).
 - You must match the shareholder in a limited company if under a personal ownership case (with shareholder having a 100% share).
 - You must be an existing joint applicant with a current facility in personal names. If your next loan with us is under a limited company ownership, the shareholding must mirror the current facility.

Products now revert to Bank of England Base Rate (BBR) trackers

- On expiry of the fixed rate (the Starting Rate*), the Term Loan will revert to a rate of interest which will be variable at a Margin above the Bank of England Base Rate
- The variable rate of interest will move up and down in line with the Bank of England Base Rate, however if the Bank of England Base Rate falls below 0.75% the interest rate you're charged won't change, this is referred to as the minimum floor
- If the Bank of England Base Rate reaches 3%, the minimum floor rate becomes 3%
- In all cases the Starting Rate at completion is the lowest rate payable regardless of future changes to the Bank of England Base Rate
- Changes to the Bank of England Base Rate, subject to the minimum floors, will take effect from the 1st of the month immediately following the announcement of the change in the Bank of England Base Rate. Your new rate will be calculated by taking the Margin applicable to the Term Loan plus the Bank of England Base Rate.

***The Starting Rate is the Margin plus the higher of either the Bank of England Base Rate at the date of commencement of the Term Loan or 0.75% and will be defined in the AIP and Facility Letter.**

Legal information

We offer the following options for representation:

Separate representation (InterBay and the applicant each have their own solicitor)

All applications require a firm from our panel to be selected to act for InterBay. Our panel of solicitors and the service is set out in the table below. The applicant can select a panel solicitor or an alternative solicitor to act on their behalf, provided they meet our criteria of being SRA approved. It's important to note that the applicant will be liable for both sets of solicitors fees.

Joint representation (A single solicitor represents both InterBay and the applicant)

Applicants can choose a firm from our panel to act on behalf of themselves and InterBay. As with separate representation, the applicant will be liable for the fees. There may be some circumstances where joint representation may not be appropriate. Please check with your specialist finance account manager if you have any questions.

Fee information

Fees are on a case-by-case basis, the firm selected will provide a quote upon instruction.

Westcor title insurance

For term (commercial, semi-commercial or buy to let) and bridging remortgage applications under £3m loan amount, title insurance may be applied to simplify the process by reducing the amount of due diligence required for the benefit of the bank. The solicitor will confirm whether title insurance can be applied once the instruction has been received.
