£1000 HMO/MUFB Cashback

£1000 cashback available on Two-Year and Five-Year HMO/MUFB Fixed Rate Products

We have continued to see growing interest from landlords in HMOs and MUFBs as they seek to maximise rental yields. However, in today's private rental sector, landlords face an array of upfront costs that can significantly impact their ability to invest or reinvest in buy-to-let properties.

Landlords investing in HMOs or MUFBs often incur more costs compared to standard buy-to-let properties. Local authorities may require licensing, planning permissions are frequently more stringent, valuation fees are usually higher than standard property valuations because HMOs are more complex, and overall purchase and set-up costs tend to run higher. The financial outlay required before keys are even in tenants' hands can often be substantial.

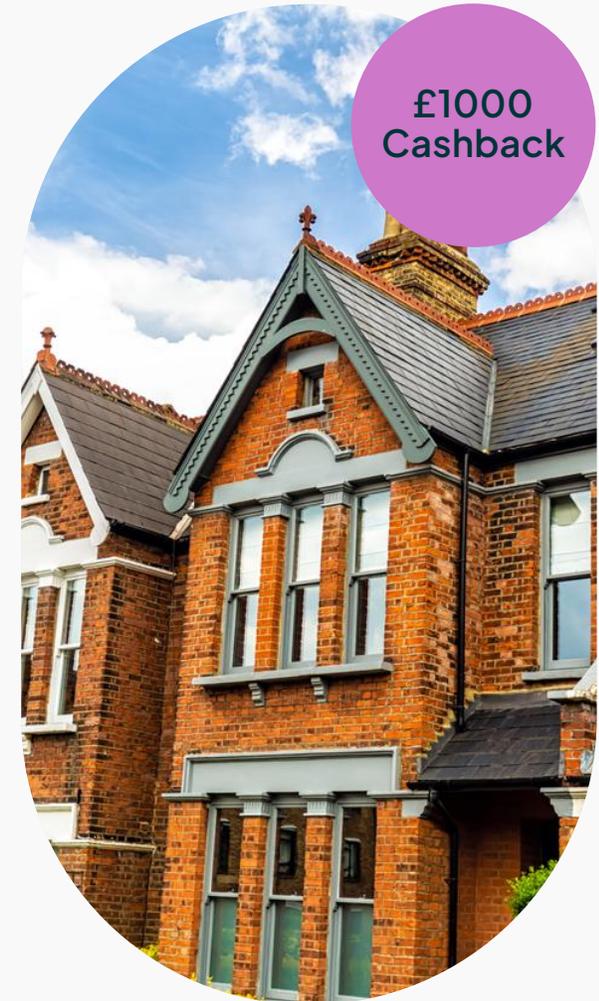

That's why we're offering landlord clients £1000 cashback which can be put towards those costs and help ease the financial burden.

Key Highlights

- The client will receive a £1000 cash payment after completion*
- The cashback payment will be paid into the account from which the client's monthly Direct Debit payment is paid
- The feature also works alongside our Green cashback feature** , giving landlords the opportunity to earn an additional £1000 cashback if they also improve their EPC to an A-C rating within the initial fixed-rate period

*£1000 cashback payable on valid products after completion. Speak to our team for further details.

**The EPC Register must be updated on the Government website for the customer to receive their payment. www.gov.uk/find-energy-certificate

HMO and MUFB Buy-to-Let Products

Landlords: Additional underwriting will be applied in line with PRA standards.

£1000 Green cashback product feature

For landlords improving property EPC levels to C and above.

At Fleet we are committed to supporting the UK's transition to a more sustainable future, and to improving the energy efficiency of the country's private rental sector properties, with the obvious benefits this will provide, particularly for tenants.

This **product feature** rewards landlord borrowers with a **£1,000 cashback payment** if they improve the Energy Performance Certificate (EPC) rating of the property to a C or above during the course of the initial fixed rate period*. The cashback will be available on Fleet's five-year fixed rate products, excluding EPC A-C product options, **which complete from 1st July 2023**.

We believe this feature will motivate landlords to make the necessary improvements to their properties to facilitate a greener future for everyone, with a contribution from Fleet against the costs of completing those works.

Key Highlights

- The cashback feature will support landlord borrowers as they seek to improve the EPC of those properties not yet at EPC A-C
- The feature will help landlords to meet the probable forthcoming EPC requirements
- Customers will receive a £1000 cash payment direct if their property is rated D or E at the point of completion, and post-completion, during their initial fixed rate period, and they upgrade the property to an EPC rating of C or above. ** Check out our [How-To Guide](#) for how landlords can claim cashback

*Terms and conditions apply. Speak to our team for further details.

**The EPC Register must be updated on the Government website for the customer to receive their payment.

Additional information

<p>Additional Information</p>	<p>Our HMO Definition: A case will need to be placed on one of our HMO products if any of the following apply:</p> <ul style="list-style-type: none"> - Properties with a mandatory or discretionary / additional HMO licence - A property with a non-standard layout that would not sell as a family home without alteration, this includes bedsits - Properties with an annexe - Properties let on a shared basis to 5 or more people <p>Our MUFB Definition:</p> <ul style="list-style-type: none"> - Each unit within the MUFB must be saleable in its own right, although no individual leases should exist - Minimum gross internal floor area for individual units in a MUFB: Each unit must be a minimum of 30sqm, and the surveyor must be able to value it on a comparable basis - MUFBs maximum 10 self-contained units - 3 or more self-contained units under 1 Freehold title. (Properties split into just 2 units can be considered under standard lending criteria and products, subject to the number of occupants in the security.) - Maximum 10 units under 1 title <p>Studio Flats:</p> <ul style="list-style-type: none"> - Fleet Mortgages can lend on studio flats, but they must adhere to the minimum floor area requirements of 30sqm provided they are located in an urban area with a confirmed value in excess of £150,000 <p>Please note: Please note the primary applicant must currently have at least 1 year of continuous experience as a Buy-to-Let landlord. This must cover the 1 year immediately preceding the mortgage application date, previous experience will not be included where there has been any gap within this timeframe.</p>
<p>Portfolio Aggregate Exposure</p>	<p>Fleet Mortgages can lend up to total borrowing of £5 million per obligor, provided the overall portfolio LTV does not exceed 75%.</p>
<p>Offer Validity</p>	<p>Offers are valid for 90 days. (Up to 180 days for New Build Properties).</p> <p>Fleet Mortgages reserves the right to ask the borrower to select a new rate if the case has not progressed to offer within 90 days of the application being submitted, which will also result in new credit checks being carried out.</p>
<p>Stressed Interest Rate Calculation</p>	<p>When assessing the affordability of a BTL mortgage contract, the interest rate used to calculate the interest cover ratio (ICR) will depend on the type of product selected:</p> <ul style="list-style-type: none"> • If the initial interest rate is fixed for a period of less than five years or for products that are variable, then the higher of the pay rate + 2%, or 5.5% will be used; • If the initial interest rate is fixed for a period of five years or more, then the higher of the pay rate, or 4.0% will be used

This guide is for intermediary use only. It is to be read in conjunction with the Lending Criteria. All information is correct at time of going to press. No responsibility can be taken for information held within any mortgage system. Fleet Mortgages reserves the right to withdraw any of the products in this brochure at any time, or to change or vary the actual rate required.

Portfolio Landlords

Fleet Mortgages has a different underwriting process for [Portfolio Landlords](#) where all applicants, individually or collectively, own 4 or more existing mortgaged BTL properties or 3 mortgaged properties where an application is being submitted to Fleet to purchase a fourth. To commence underwriting, both an Existing Property Portfolio Schedule and Portfolio Landlord Questionnaire are required:

1. Existing Property Portfolio Schedule

Where all applicants, individually or collectively, own 4 or more existing mortgaged BTL properties or 3 mortgaged properties where an application is submitted to Fleet to purchase a fourth, we will request a property schedule that details the portfolio to include all those owned in all the applicants' sole names, joint names and those owned in a company name of which they are either director or shareholder. This will include any residential property on a consent to let agreement. Information is gathered via Cotality (Buy to Let Hub) allowing instant submission in real-time direct to our underwriters stress testing the whole portfolio at 125% @ 5% with a maximum overall LTV of 75%. If you already have previous data stored within the hub, you can use that information to create a new portfolio submission for Fleet Mortgages. [BTL Hub Login](#)

You can enter the details of your client's property portfolio directly into a spreadsheet which is available to download from our website. [Visit our website](#) to download a copy of the Property Portfolio Schedule. You can then upload the completed spreadsheet directly to the BTL Hub.

2. Portfolio Landlords Questionnaire

We have combined a simple business plan and cashflow forecast into an easy-to-complete questionnaire - only existing landlords are required to complete the questionnaire. The questionnaire is available [on our website](#).

Please note:

- There are no changes to our DIP or application system
- Portfolio applications will be assessed by dedicated Underwriters
- To minimise the underwriting time, please upload the Portfolio Landlords Questionnaire via Fleet's Broker Portal before submitting the Cotality property schedule

Additional fees

Additional fees
