Enhanced flexibility for your clients

To give clients added choice as the market moves at pace, we're offering extra flexibility once a mortgage offer is issued.

For a limited time, clients selecting a discounted product on their application can make one switch to a fixed rate before completion, without paying the £299 product change fee.

The fixed rate must be chosen from products available at the time of the switch. This applies only to moves from discounted to fixed rates, not between fixed rates.

Product end dates

Our product end dates are:

- 31 January
- 30 April
- 31 July
- 31 October

These reset in February, May, August and November at the beginning of the month.

Our product withdrawal commitment

As part of our Best for Brokers Promise, we'll always give more than 24 hours' notice before withdrawing products.
