Previous repossession	None within the past 3 years

Other

Use of Funds	Purchase before sale (chain break), Property sale delays, Probate transactions, Light refurbishment prior to refinance or sale, Short-term refinance, pending longer term lending.
Definition of Light Refurbishment	<p>Light Refurbishment means non-structural, non-material improvement works to an existing property that:</p> <ul style="list-style-type: none"> do not alter the building's structure, footprint, roofline, or load-bearing elements; do not require planning permission and (where applicable) are limited to works that can be undertaken under permitted development rights; and are intended to be cosmetic and/or like-for-like upgrades that improve saleability/Lett ability rather than change use or materially reconfigure the property. <p><i>Typically includes (non-exhaustive):</i></p> <ul style="list-style-type: none"> Internal redecoration (paint, plaster skim, minor repairs) Replacement of kitchen/bathroom on a like-for-like basis (no layout change requiring structural works) Floor coverings (carpets/laminate/tiles) Electrical/plumbing works required Replacement internal doors/ironmongery Basic external tidying (garden clearance, minor non-structural repairs) <p>Light refurbishment costs are capped at 20% of Day 1 value and works must be capable of completion within the term of the loan</p>
Other fees	Arrangement fee – minimum 2% and can be added to loan Title insurance (where required): charged in line with the insurer's premium (minimum £395 or 0.11% of the loan plus IPT at 12%, whichever is higher) and can be added to the loan (both within maximum LTV parameters)
Defined Exit	As bridging facilities are short-term loans, it is imperative that a clearly defined exit strategy is evidenced from the outset. Whether repayment is from sale of an asset, refinance to another lender or other means. Documentary evidence will be required and sense checked accordingly. Two primary exits are accepted: Sale exit – Sale of the secured property or another property. Refinance exit: Refinance into a mortgage product. Other exit routes will only be considered if clearly evidenced and credible.
