Max Borrower Exposure	<ul style="list-style-type: none"> Quantum Mortgages applies an internal limit of a maximum exposure to any one customer which is the lower of 100 loans or £5 million of lending (whichever occurs first). This limit applies across all applications, regardless of whether the applicant is applying individually, jointly or through an SPV. Any customer wishing to exceed this threshold must be referred to Senior Management for approval prior to proceeding. Please contact your BDM in this scenario. We can now consider large portfolios, where it's split across separate SPV's and no individual SPV has borrowing greater than £5m. i.e. £12 Million portfolio, divided by 3 separate limited companies, with each borrowing £4M.
