Owner occupier products - qualifying conditions

To qualify, each property securing the loan must be predominately used for the applicants' own business purpose, this can't include generating income from the property. Our underwriters determine the predominate use by considering factors including value, square footage and productivity (income generated). Applications that don't qualify for our owner occupier products will be assessed under our commercial investment products.

Commercial buy to let valuation fee scale

Fee scales have been provided for all standard and specialist properties meeting the agreed criteria below. The valuation fee is payable by the applicant or the broker prior to valuation instruction. The fee scales listed below are for guidance only and may be subject to change. For more complex buy to let properties that do not fit the criteria, a bespoke fee quote will be required from our panel manager. Brokers will have the opportunity to select their preferred quote and instruct the valuation directly with the panel manager. Fees will be payable to the panel manager prior to the valuation instruction. This will apply to all unusual, hybrid or complex properties, including those to be valued on a trading-related basis.

Fees are non-refundable once the valuer has visited the property, but an abortive fee may be payable.

Physical valuations

For commercial, semi-commercial and buy to let cases, full physical inspections for valuations will continue, and shall be conducted via our panel manager by way of a bespoke valuation quote.

Fees

- A £145 non-refundable administration fee is due when submitting the application.
- The valuation fee is to be paid directly by you or the broker to our panel manager at the point of instructing the valuation.
- The arrangement fee, which is also non-refundable, is due on completion and can be added to the loan.
- A 0.25% reduction in the arrangement fee applies to existing borrowers placing a new application (not applicable to Bridging applications). To qualify you must have a clear six-month payment track record and meet one of the following conditions:
  - Be under the same personal ownership or limited company (with the same shareholders/directors).
  - You must match the shareholder in a limited company if under a personal ownership case (with shareholder having a 100% share).
  - You must be an existing joint applicant with a current facility in personal names. If your next loan with us is under a limited company ownership, the shareholding must mirror the current facility.

Products revert to BBR trackers

- On expiry of the fixed rate (the starting rate*), the term loan will revert to a variable interest rate set at a margin above BBR.
- The variable rate of interest will move up and down in line with the BBR, however if the BBR falls below 0% the interest rate you're charged won't change, this is referred to as the minimum floor.
- Changes to the BBR, subject to the minimum floor, will take effect from the 1st of the month immediately following the announcement of the change in the BBR. Your new rate will be calculated by taking the margin applicable to the term loan plus the BBR.

Bridging finance

- Available in England and Wales.

Eligible applicants

- Individuals, limited companies, LLPs, partnerships and trusts and pension schemes (incl. SIPPs)

Key criteria information

ICR (and calculation)

Commercial rental income considered subject to validating that there is at least 12 months unexpired term on the current lease.

ICR will depend on the loan type:

- ICR will apply for 2 year rates based on 5%, or the initial pay rate – whichever is higher at 125%
- ICR will apply for 5 year rates at the initial pay rate at 125%
- Owner occupier – ICR based on market rent confirmed by valuer is 110% (market rent), borrower 125% (net profit/EBITDA).

Buy to let ICR

- The minimum ICR is determined by the property type, whether the applicant is a portfolio landlord and the applicant's tax status.
- Non-HMO - Single Dwellings & Multi Unit Freehold Blocks (MUFB's)
- Higher/additional rate taxpayers: 140%, increasing to 160% for portfolio landlords.
- Individual basic rate taxpayers*: 125%, including portfolio landlords.
- Limited companies/LLPs: 125%, including portfolio landlords.

HMO

- Higher/additional rate taxpayers: 150%, increasing to 170% for portfolio landlords.
- Individual basic rate taxpayers*: 135%, including portfolio landlords.
- Limited companies/LLPs: 135%, including portfolio landlords.
- * The basic rate taxpayer ICR applies where all applicants are basic rate taxpayers.
- ** For minimum ICR categorisation, MUFBs are treated as Non-HMO and hybrid securities are treated as HMO.
- The interest rate used in the ICR calculation is determined by the selected product as follows:
- The required interest coverage ratio (ICR) will depend on the property type and lending entity. The ICR will be calculated using a stressed rate of 5.0%, or the initial pay rate +1.55%, whichever is higher.
- However, the following exceptions apply: If the case is a remortgage with no additional borrowing, ICR will be calculated using the initial pay rate +1.05%, with no minimum stress rate. If the five year fixed rate is being used, ICR will be calculated using the initial pay rate, with no additional margin or minimum stress rate.

Legal information

We offer the following options for representation:

Separate representation (InterBay and the applicant each have their own solicitor)

All applications require a firm from our panel to be selected to act for InterBay. Our panel of solicitors and the service is set out in the table below. The applicant can select a panel solicitor or an alternative solicitor to act on their behalf, provided they meet our criteria of being SRA approved. It's important to note that the applicant will be liable for both sets of solicitors fees.

Joint representation (A single solicitor represents both InterBay and the applicant)

Applicants can choose a firm from our panel to act on behalf of themselves and InterBay. As with separate representation, the applicant will be liable for the fees. There may be some circumstances where joint representation may not be appropriate. Please check with your specialist finance account manager if you have any questions.

Fee information

Fees are on a case-by-case basis, the firm selected will provide a quote upon instruction.

Westcor title insurance

For term (commercial, semi-commercial or buy to let) and bridging remortgage applications under £3m loan amount, title insurance may be applied to simplify the process by reducing the amount of due diligence required for the benefit of the bank. The solicitor will confirm whether title insurance can be applied once the instruction has been received.
